Allowable Subject Matter

2. Claims 14-26 are allowed over the prior art.
3. The following is an examiner's statement of reasons for allowance: regarding claim 14, the reason for the allowance is due to persuasive arguments by the applicants filed on July 17, 2006 regarding the limitation means for feeding the means for detecting a current [see pages 5-8 for details of the arguments. Since claims 15-26 depend from claim 14, they also have allowable subject matter.
